

The Second Quad in-person Summit in Tokyo, Japan

24 May – 27 May, 2022

The Quad is a “force for good”, remarked the Indian Prime Minister at the fourth Quad summit held in Tokyo, Japan. The meeting was marked by action-oriented cooperation among the four Quad members to drive the region towards productivity and prosperity. The two day Leaders’ summit focused on common efforts towards post-pandemic recovery, including by strengthening health security, shared frameworks on critical and emerging technologies, trusted supply chains, cyber security, connectivity and energy. The leaders reaffirmed their commitment to an open, free and prosperous Indo-Pacific region. This edition of CUTS Occasional News Wrap (ONW) reflects on this second in-person Quad summit.
